The Honorable Frank Church
Chairman
Select Committee to Study Governmental
Operations with Respect to Intelligence
Activities
United States Senate
Washington, D. C. 20510

Dear Mr. Chairman:

We have information from a reliable source that the Second Secretary of the Cuban Mission to the United Nations is in Washington on the basis of special instructions from Premier Fidel Castro to contact "friends of Cuba." This individual has said that he is in search of twenty names withheld from the report on assassinations. He is searching for anyone who has seen the draft report or anyone who knows what names were deleted. He is offering \$25,000 for each name and says the person who comes up with the names would also get a statue erected in Havana. He hinted he has tentatively identified ten unpublished names and only needs ten more. This information has been passed to the FBI.

I would hope in view of this information that you will take all appropriate measures to ensure that deleted names do not fall into the hands of the Cubans.

Sincerely,

/s/ DHC
